About VIT

Vishwakarma Institute of Technology (VIT), Pune, established in 1983, is a premier autonomous engineering institute affiliated with Savitribai Phule Pune University and run by the Bansilal Ramnath Agarwal Charitable Trust (BRACT). The institute offers a wide range of undergraduate, postgraduate, and doctoral programs and has consistently been recognized as one of the top technical institutes in western India. VIT was awarded the prestigious NAAC A++ grade and is ranked among the leading engineering institutions by NIRF. The institute holds ISO 9001 certification and has enjoyed autonomous status since 2008-09, extended up to 2030.

Guided by its vision to be globally acclaimed in technical education and research, VIT emphasizes academic excellence, strong industry connect, and holistic student development. The institute fosters a culture of innovation, research, social responsibility, and lifelong learning, ensuring that graduates are industry-ready and future-oriented.

About Versanix Technologies

Versanix Technologies is a future-driven organization dedicated to bridging the gap between academic learning and industry expectations. We empower students through hands-on training, real-time projects, and expert mentorship. Our programs are designed to build technical confidence, problem-solving skills, and professional readiness. Versanix collaborates with industry leaders to deliver practical, career-focused learning experiences. We believe in nurturing innovation, leadership, and continuous growth. Through mentorship and collaboration, we help students transform potential into performance. At Versanix, learning goes beyond classrooms and into real-world success.

CHIEF PATRONS

Shri Rajkumarji Agarwal
Chairman, BRACT, Pune

Shri Bajrangdas Lohiya
Vice Chairman, VI, Pune

Shri Bharat Agarwal
Managing Trustee, BRACT, Pune

Prof. (Dr.) Rajesh Jalnekar
Director, VIT, Pune

Prof. (Dr.) Vivek Deshpande
Director, VIIT, Pune

CONVENER

Prof. (Dr.) Parikshit N. Mahalle
Dean Academics,
VIT, Pune

Prof. (Dr.) Vijay Mane
Dean - Alumni and Outreach,
VIT, Pune

Mr. Shripad Punde
Head of Information Security,
SVAVAS Technologies

Mr. Krishna Thite
CEO,
Secvera Technologies

Mr. Atharva Bhamburkar
Solutions Architect,
Vulnuris Security Solutions LLP

COORDINATORS

Dr. Virendrakumar Dhotre
Associate Dean Academics,
VIT, Pune

Dr. Namrata Wasatkar
Associate Dean Academics,
VIT, Pune

Prof. Kalyani Ghuge
Assistant Professor,
VIT, Pune

Prof. Rajkumar Patil
Assistant Professor,
VIT, Pune

Target Audience

- Undergraduate Engineering Students
- Postgraduate Students
- AI / ML / Data Science Enthusiasts
- Student Innovators and Competitive Programmers

Symposium Overview

The Two-Day Symposium on Learning, Innovation, and Artificial Intelligence is an academia–industry collaborative initiative designed to nurture technically competent, innovative, and industryready graduates. The event integrates expert-led seminars, practical workshops, technical competitions, and a Mini AI Hackathon. This structured combination ensures outcome-based learning that extends beyond conventional classroom instruction and aligns with modern pedagogical practices.

Objectives of the Symposium

- **To provide students with hands-on exposure to Artificial Intelligence and emerging technologies**
- **To encourage innovation, analytical thinking, and structured problem-solving**
- **To facilitate industry interaction, mentorship, and expert guidance**
- **To promote competitive technical learning through contests and a hackathon**
- **To enhance the academic visibility and innovation profile of the institution**

Event Agenda

Day 1: Learning & Skill Building
16/ 03/ 2026

Industry Seminar:
Expert-led session on emerging technologies and career pathways, providing sponsors visibility among a large technical audience.

Hands-On-Workshop:
Interactive workshop with live demonstrations, enabling sponsors to showcase tools, platforms, or technical expertise.

Coding Contest:
Competitive programming event promoting innovation, analytical thinking, and sponsor engagement through problem statements

Technical Quiz:
A rapid-fire quiz enhancing participant interaction and sponsor recall.

Day 2: Innovation & Competition
17/ 03/ 2026

5-Hour Mini AI Hackathon:
A high-impact team-based hackathon focused on AI solutions, with mentor support and sponsor branding throughout.

Hackathon Presentations & Evaluation

Institute Vision Mission

Vision of Institute

To be a globally acclaimed Institute in Technical Education and Research for holistic socio-economic development.

Mission of Institute

- To ensure that 100% of students are employable and employed in industry, higher studies, entrepreneurship, civil or defence services, government jobs, and other areas like sports and arts.
- To strengthen Academic Practices in Curriculum, Pedagogy, Assessment and Faculty Competence.
- To Promote Research Culture among Students and Faculty through Projects and Consultancy
- To make students Socially Responsible Citizens
